

STAR - Student-Teacher Achievement Recognition Program
www.msstarstudent.org

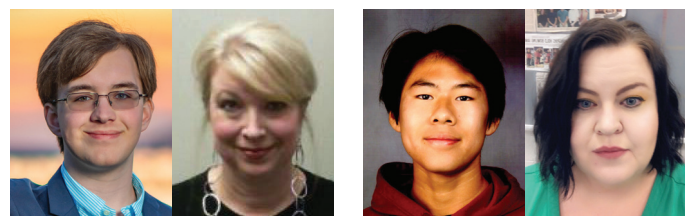

MEC'S M.B. SWAYZE FOUNDATION SALUTES 2020 STAR STUDENTS & TEACHERS

For 71 years, the Mississippi Economic Council, Mississippi's largest business and professional organization and the State Chamber of Commerce, has acknowledged education as a cornerstone in the process of helping our state and its residents reach their potential. The organization's Student-Teacher-Achievement-Recognition (STAR) Program began 55 years ago with the intent to salute the academic achievements of our outstanding high school students. This year's class of STAR Students joins more than 20,000 top scholars and leading teachers who have qualified for recognition by the STAR program.

Special thanks to the M.B. Swayze Foundation's other supporters who help celebrate the achievements of these students:

- ChemFirst/First Mississippi Corporation Charitable Endowment Fund of the Community Foundation for Mississippi
- Kelly Gene Cook, Sr. Charitable Foundation, Inc. • Lower Pearl River Valley Foundation • Maddox Foundation
- Public Education Forum of Mississippi • MEC members who serve as community, county, regional, and statewide STAR sponsors
