

## CHARLES JOSEPH MOOMAW

Charlie is currently the Maintenance and Engineering Manager at Armstrong Flooring Inc. located in Jackson, MS.

Charlie was born in Newport News, Virginia in 1976 and graduated from Vicksburg High School in Vicksburg, MS 1994. Charlie then attended Mississippi State University and graduated with a Bachelor of Science in Industrial Technology in 2003 with a 4.0 GPA.

After Charlie received his degree, he accepted a Manufacturing Management position with Shaw Floors in Dalton, GA. Charlie worked numerous roles throughout his eight years there in positions including, Process Engineer, Project Engineer, Quality Manager, Technical Manager, and finally as Divisional Hardwood Technical Manager with responsibility over 8 manufacturing facilities throughout the Southeast.

In March 2011 Charlie moved his family back to Mississippi to work for Armstrong Flooring Inc. as the Process/Project engineer. Charlie was soon promoted into the position of Engineering and Maintenance Manager.

Charlie and his wife Ashley and their two little boys, Grayson 5, and Millin 3, reside in Madison, MS. In Charlie's spare time he loves spending time with his family as well as renovating his family home one room at a time.
