

Jason Snider is a proud graduate of Mississippi State University where he earned a Bachelor of Business Administration with a double major in banking finance and insurance risk management and financial planning. He graduated Cum Laude from Mississippi State in 2010. Thereafter he attended Mississippi College where in 2012 he received a Master's Degree in Health Services Administration. He currently is employed at King's Daughters Medical Center as Risk Manager.

Apart from his work, Jason is involved in many organizations. He serves on the Board of MSU National Alumni Association, Chairmen of the Brookhaven Servitium Club, Past-President of the Brookhaven Trust, board member of United Way of Lincoln County and an ambassador for the Brookhaven-Lincoln County Chamber of Commerce. Snider was selected as 2015 MSU Young Alumnus of the Year and 2016 Chamber Of Commerce Ambassador of the Year.

In 2014, Jason established his own private corporation for the development of real estate properties in the Downtown Brookhaven Business District. In his spare time, he enjoys watching football, playing golf and traveling to new places.
