

Terrell Grindle is a partner with Nicholson Consulting Group, LLC. Terrell's emphasis is advising public entities (i.e. cities, counties and states) in the issuance of municipal bonds. Terrell also has expertise in public private partnerships, combination of Federal and State tax credits, tax increment financing, and other complex instruments for community development. He also assists corporate companies in Governmental Relations, Business development, and health care compliance.

Terrell received a Bachelor of Science Degree in Education from Mississippi State University. He also attended William Carey University to achieve the hours in Accounting to sit for the CPA exam. Terrell is on the board of directors for United Way of Southeast Mississippi and is also a member of CDFA (Council of Development Finance Agencies). He was also chosen as a member of the Area Development Partnership Leadership Pinebelt class of 2014. He is from the Hattiesburg area and enjoys travelling, watching sports, and spending time with family and friends.
